1 Now

1 Now: VIII Strength

Where you are now. That which concerns you.

Focus

The focus is on challenging situations pertaining to business and finance, family matters, things that stemmed from the past, spiritual fortitude, rebeginnings, and results or reward for persistence and effort.

Desire

You want positive results in business or love and to overcome the obstacles to the attainment of that goal.

The Home

You will be involved with consciousness-raising books, studies, methods, or groups, and you will do your work or chores without argument or complaint.

Others

You are going to feel challenged by others who directly or indirectly oppose you or your ideas, and an encounter with a man (or woman) is going to leave a lasting impression on you.

Work/Career

Results may be slow in coming, but you will hold your own, get a lot accomplished, and summon up enough energy to do what it takes to get the job done, and in some way, you'll be recognized or rewarded for your efforts.

Emotions

You are going to be troubled by the past or something stemming from the past.

Family

There will be altercations stemming from an imagined slight or an unexpressed resentment.

Friends

A friend from the past will return, causing a renewal of activity in the present or future. This will be a very positive encounter.

Endings

Restraints will come to an end, and positive changes in your business affairs in the form of recognition or promotion will at last come your way. You can also expect improved conditions in your finances and love life.

Beginnings

A situation will arise with one who will exert a great deal of power or influence over you. You will be steadfast in your goals or intention and, if challenged, will take up the gauntlet and WIN. Nothing will defeat you.

Action

Put aside the notion that your prayers can only be answered by striving or personal effort, and if you pray, pray with conviction; don't be fearful.

Guidance

Mundane: There are powerful spiritual forces at work and obstacles to your success will be overcome. You will be given the power to succeed.

Esoteric: This is an important Karmic period, and actions taken during this time will be the needs of your tomorrow. If you are feeling challenged, it's because you are harboring a deep-seated misunderstanding, mistrust, or resentment toward someone (perhaps even God), and you are being given the opportunity to resolve it once and for all -- remember, love conquers everything, even Karma.

2 Motivation: Seven of Cups

Force or Motivation behind your desire.

Focus

The focus is on the search for truth; gut-wrenching experiences and life-altering events related to your family, friends, work, or love; feelings of powerlessness, inadequacy, or confusion; and Cosmic contact and spiritual experience.

The Home

You're going to make a resolution or compromise and will have to give something up in favor of, or to make room for, another. This could concern a major purchase or a choice between family and the one you love.

Others

Someone's going to cause you to reevaluate a situation you had planned to go ahead with and to rearrange your plans -- What to do?

Work/Career

Your life may feel so empty that there will be nothing to do BUT your work, and at times even that will be unrewarding.

Emotions

You will feel uncentered, confused and unstable, alone and introspective.

Family

You'll want to escape from responsibilities and emotional turmoil and may seek outside counsel.

Friends

Your friends will boost your enthusiasm for your work or come up with new business ideas, and their positive outlook will be contagious.

Endings

Searching, seeking, questioning, or wanting will come to an end.

Beginnings

Your faith in an idea or project will be rudely shattered, and you will feel as if you're losing all control. You won't know what to do and will want to take flight in order to escape, but you won't be able to make any clearcut decisions.

Action

Be thankful for all that you DO have or have been given, and steer clear of negative thoughts or influences. Allowing for weakness can be disastrous in that it will undermine all the work you have done.

Guidance

Mundane: Don't let conditions, appearances, or what others have to say sway you or veer you off your ideal. What you want is right under your nose, just waiting to be discovered.

Esoteric: Don't alienate yourself from life-giving forces. God dwells in you as you and in everyone and everything else.

3 Problem: I The Magician

The underlying problem.

Focus

The focus is on new beginnings, manifesting desires, love's urgings, houses or property, finance and the future.

The Home

It would be better to stay where you are than to go on a "wild goose chase," and if you've been concerned about the sale of a home or property, an offer will be accepted and it will be sold.

Guidance

Mundane: A situation has been (or soon will be) presented that has all the inherent components to the manifestation of your desires. Take the best from it or move on it, because it is through this that a new potential will emerge.

Esoteric: You are only at the first stage of your development and you must understand your place in the Cosmic Scheme of things. The Universe always gives more than you can conceive of or ask for -- all you have to do is accept more.
