## **1 January: Seven of Pentacles**

*January*

### **Focus**

The focus is on a situation, or pause in progress, causing great dissatisfaction, anxiety or depression; there will be a reevaluation of goals, aspirations or life itself.

### **Work/Career**

You'll be dissatisfied with your progress and will experience anxiety about your business or financial state, and will want to be much more successful or solvent.

### **Endings**

Patience and complicity will end.

### **Beginnings**

You are going to be reevaluating your position to see if it's worth pursuing (especially if it relates to business) but will carry on in spite of everything.

### **Guidance**

Mundane: You have what it takes, you just need someone who can help you get where you want to go, or put it all together. Hang on; help is coming.

Esoteric: If you plant a seed, it doesn't blossom overnight - it takes time. No amount of wishing it to be otherwise will make it grow any faster.

### **Surprises**

You will be pleasantly surprised by someone who inadvertently provides the key ingredient or missing link needed to reinforce your determination and insure the success of an idea, project or enterprise.

### **Disappointment**

You are going to be disappointed in the time it may take to materialize your goals and wonder if they will ever be attained.

### **Rewards**

You are going to receive some news containing a financial opportunity or 'win.' Could also indicate the purchase of a rather expensive gift.

### **Friends**

Your friends will be beneficial and a friend from a long distance could call.

### **Health**

You will suffer from extreme anxiety or nervous exhaustion and will be unable to take on anything that would be mentally, emotionally or physically taxing and you, or someone you know, will have to go to the doctor soon.

### **News**

Expect a pleasant surprise and/or someone from a doctor's office will call.

### **Pleasure**

You are going to be pleased with a new possession that you purchase for yourself or your home and a new discovery will bring unexpected joy.

### **Success**

Unfortunately, you won't see the results you'd hoped to see and will find it very hard to get yourself established.

### **Romance**

You will be disappointed in love and will unhappily resign yourself to the prospect of continuing on alone.

### **Desire**

Want to be productive, make more money, or move on to something else entirely.

### **Blessings**

You will be grateful for a new possession or gift.

## **2 February: Seven of Wands**

*February*

### **Focus**

The focus is on love affairs, timing, trips, clarity, and finance, as well as pressure related to work, schedules, and personal commitments.

### **Work/Career**

You will handle your affairs skillfully and complete all projects or financial matters successfully, but love will become more important than your work.

### **Endings**

Exciting news or an important decision will bring about a feeling of great satisfaction or accomplishment and put an end to problems, stress, or strain.

### **Beginnings**

All obstacles or vicissitudes will be overcome, and you will be in a much more positive frame of mind.

### **Guidance**

Mundane: You will get more satisfaction through self-improvement than by trying to change external conditions.

Esoteric: There's a movement stirring within that's causing much apprehension, but this movement is actually progressive. You must realize that not only must the outer change, but the inner as well. Fortunately, you have the innate ability to turn a challenge into a useful commodity and some of your greatest achievements were born out of your frustration.

### **Surprises**

Problems concerning your family, finances, business plans, or schedules will take you by surprise.

### **Disappointment**

The lack of commitment on the part of others, or people who don't show up, follow through, or drop the ball, will be a big disappointment to you.

### **Rewards**

You can expect a very unselfish gesture on the part of another who will give you something you want, even if it means a sacrifice for him or her. The end result, however, will be that you both benefit.

### **Friends**

Your friends will be loving, kind, benevolent, and supportive, and you will see (or hear from) a friend you haven't seen in ages.

### **Health**

You will try to accomplish too many things at once and will feel pressured to take on more than you care to handle, and that will affect your health adversely. Also, do not ingest food you're not certain of.

### **News**

Someone is going to tell you they love you, or someone very taken with you will call or propose a union.

### **Pleasure**

You will enjoy liberating yourself from exacting schedules, work demands, or stalemated business affairs.

### **Success**

You will be successful in all of your negotiations, agreements, or financial transactions. Money that is owed will be paid, and/or a check for a subsidy or grant will be given.

### **Romance**

You will think about love and what it would be like to live with someone or get married.

### **Desire**

You want a clearcut direction or "yes" or "no" answer and/or a commitment on the part of another.
